Docket No. CP2021-43

**NOTICE BY STRATEGIC ORGANIZING CENTER OF FILING ERRATA TO
MOTION REQUESTING ACCESS TO NON-PUBLIC MATERIALS UNDER
PROTECTIVE CONDITIONS**

(August 17,
2022)

The Strategic Organizing Center (SOC) hereby gives notice of filing a revised version of its Motion Requesting Access to Non-Public Materials which it filed in Dockets CP2021-42, and CP2021-43 on August 15, 2022 (Motion). The revised Motion corrects the following errata: 1) The caption to the August 15 version of the Motion incorrectly listed one of the Docket Numbers as CP2021-42; the revised Motion replaces this text with the correct Docket Number, that is MC 2021-42; 2) The revised Motion deletes the extraneous text "Intro of arguments," which was mistakenly included in the August 15 Motion at page 7. 3) The revised Motion adds the correct docket numbers to the Protective Conditions Statement and Certifications attached to the Motion. SOC has filed the revised version of the Motion, including these corrections in Dockets MC2021-42 and CP2021-43. SOC regrets the inconvenience caused by these errata. SOC does not believe that any party is prejudiced by these revisions.

Respectfully submitted,

DATED: August 17, 2022
